

# Full evidence record

## Account history and audit record

### Clean Room CPA | Name after printing

Range: Beginning of records through Generation time  
Generated by Ada Admin at Sep 27, 2026, 1:41 AM (America/Phoenix)  
Drafts remain editable; finalize means sent and locked.

Balances after complete database transactions. Billed balance uses current rolling statement chains; unbilled work/credits are separate.  
Retainer availability is not deducted twice. Reconstructed history cannot establish past edits or names.  
Audit logging began: Sep 27, 2026, 1:41 AM. Earlier entries are reconstructed from existing records, before audit logging began.

### Ledger

Opening balance: \$0.00. Debit / Credit are positive amounts; credit balances use -\$1,234.56. Retainer is available funds, separate from debt.
