

Full evidence record

Account history and audit record

Clean Room CPA | Name after printing

Range: Beginning of records through Generation time
Generated by Ada Admin at Sep 26, 2026, 6:36 AM (America/Phoenix)
Drafts remain editable; finalize means sent and locked.

Balances after complete database transactions. Billed balance uses current rolling statement chains; unbilled work/credits are separate.
Retainer availability is not deducted twice. Reconstructed history cannot establish past edits or names.
Audit logging began: Sep 26, 2026, 6:36 AM. Earlier entries are reconstructed from existing records, before audit logging began.

Ledger

Opening balance: \$0.00. Debit / Credit are positive amounts; credit balances use -\$1,234.56. Retainer is available funds, separate from debt.
